PASTORAL EVANGELISM & LEADERSHIP COUNCIL

Greetings!

40 years, but it seems like only yesterday. I'd never seen Mosely Chapel quite so full. Never felt that type of electricity in the room. All the doors were open for those who'd lost the battle for a seat, but still needed a word. As young ministerial students, we strained to see and hear our heroes like, Earl Cleveland, Charles Dudley, Charles Brooks, Randy Stafford and others. And we were never disappointed.

40 years later, many of us are closer to retirement than ordination, but PELC still delivers. It has become the largest and longest running conference of its kind in the Adventist church. And for good reason. The preaching is powerful. The fellowship is warm. The workshops are timely. And the Spirit is still moving.

My prayer is that we'll celebrate our 50th anniversary in the earth made new, and Jesus himself will be our keynote speaker on Sunday, Monday, and Tuesday nights. But until then, enjoy this 40th anniversary of PELC/Evangelism Council, as we remember, reimagine, and reignite our passion for souls.

Be blessed
